### **THE SOBER SOCIAL NETWORK**

#### The Digital Platform That **Celebrates Sobriety**

Purpose in Design

## A SOCIAL GOD APP

Every day people lose their battles with addiction, proving that we need the support of a strong sober community to succeed.

QQQImage: Second system**300 Million95.3 Million**People worldwide have an<br/>alcohol use disorderAmerican adults battled an<br/>illicit drug use disorder

Loosid provides free tools to help those struggling with addiction. It's our obligation and duty to give those fighting to maintain their sobriety every chance they can get.

## LOOSID TERRITORIES

#### Stop Now Us

Initially Loosid was released only in the New York City and New Jersey areas.

#### **More Cities**

Following the initial growth, Loosid has now expanded to nearly every metropolitan city across the United States.

#### **More States**

From New York to Florida, Texas, California and into the heartland, Loosid continues to grow.

#### **More To Come**

Loosid is the No. 1 comprehensive platform in the U.S. for those who choose a sober lifestyle; but we won't stop there. Loosid strives to be the No. 1 Sober Social Network in the world.

An App Is Born

### A SOBER COMMUNITY IN THE PALM OF YOUR HAND

Where do you eat, drink, and hang out with friends who share your lifestyle?

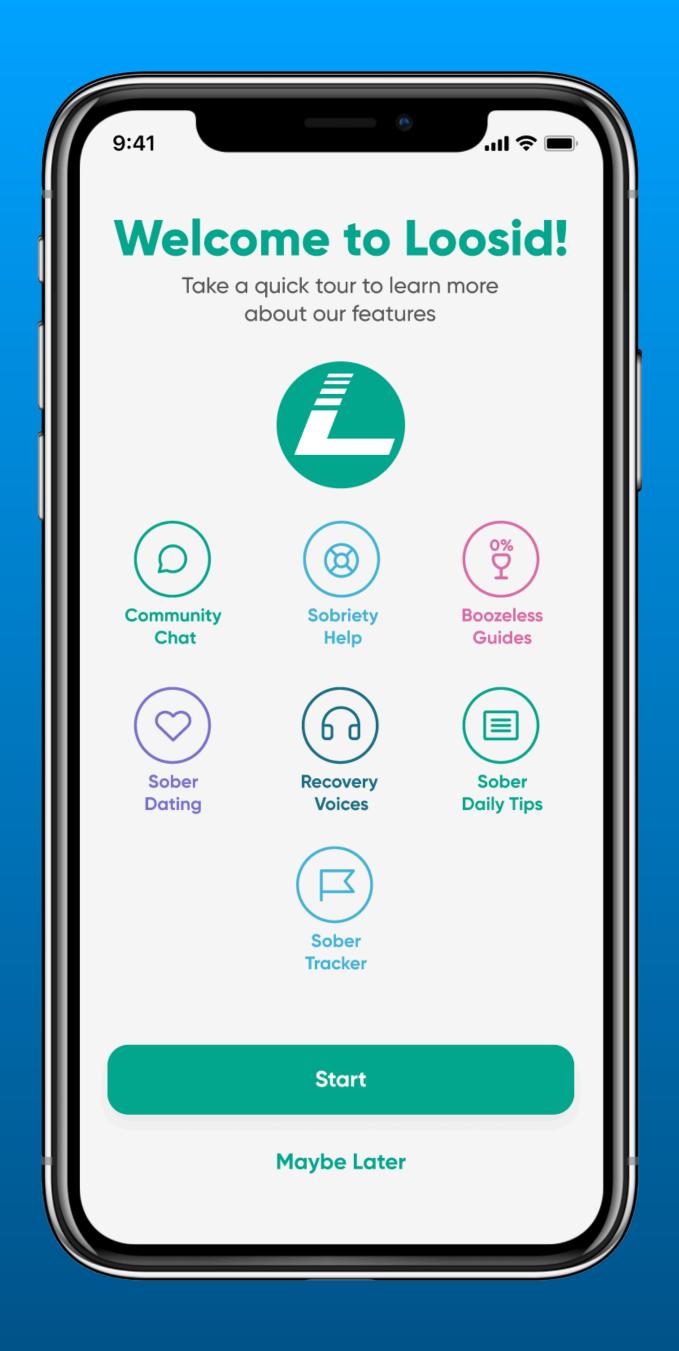

How do you maintain sobriety in a world where not drinking is often seen as boring?

How do you connect with like-minded others who understand challenges related to sobriety and addiction?

With over 130,000 installs to date, the Loosid community provides an active & supportive forum to ask and answer these questions while providing a safe space to engage and connect 24/7.
